

Carbon Valley Consumer Reporter: Area Mayors' Report – For Those of Us Who Don't Attend Meetings

- I am excited to announce that during our Regular Meeting on Wednesday, April 10, 2019, the Board of Trustees unanimously approved an employment agreement with Arthur J. (A.J.) Krieger to serve as the Town Manager. Previously, Mr. Krieger has served as the Interim Town Manager since May of 2018, and brings over 25 years of experience in local government to Firestone. Mr. Krieger said, "I look forward to continuing to work with the Board, Staff and residents to achieve the Town of Firestone's goals." Mr. Krieger's contract became effective Wednesday, April 10, 2019.
- It is that time of year – event season! Our Food & Flick Fridays series kicks-off on Friday, May 31st at Settlers Park with Incredibles 2 on the big screen. Food trucks will be there from 6-9pm, free music, activities and face painting from 6-8pm and the movie will begin around 8:30pm. To view the food truck line-up check-out the events on Facebook at www.facebook.com/firestonecolorado or visit www.firestoneco.gov/foodandflickfridays.
- We have hosted 2 successful Coffee with a Trustee events! Board Members have really enjoyed the opportunity to talk with residents and help answer questions and discuss issues or concerns related to the Town of Firestone. Keep an eye out for further dates, and to ensure we can talk to a variety of residents they will be held on different days and at different times.
- In April, SafeWise release its annual 20 Safest Cities in Colorado for 2019 and Firestone ranked #9 on the list! Once again, we are recognized as one of the safest communities to live in Colorado and I would like to thank the ongoing support from the Firestone community and the dedicated members of the Firestone Police Department for their work in keeping this community safe. Thank you!

Thank you for your continued support!
