

Carbon Valley Consumer Reporter: Area Mayors' Report – For Those of Us Who Don't Attend Meetings

- **SAVE THE DATES! Upcoming Community Events:**
 - Food & Flick Fridays: May 31 & June 14 at Settlers Park, June 28 & July 12 at Harney Park and July 26 & August 9 at Hart Park. Food trucks will be there from 6-9pm, free music, activities and face painting from 6-8pm and the movie will begin around 8:30pm. To view the movies and food truck line-up check-out the events on Facebook at www.facebook.com/firestonecolorado or visit www.firestoneco.gov/foodandflickfridays.
 - 4th at Firestone: The 17th Annual 4th at Firestone will be held on Thursday, July 4th. Join us in the morning for a parade, stay during the day for live music, vendors, food and activities, and then finish the day with fireworks! More information on times and locations can be found at www.firestoneco.gov/4thatfirestone.
- At the end of May, Town staff attended a national retail convention and visited with retailers, developers and investors. The goal is to begin to build strong relationships that lead to development deals for the Town. Staff will be sharing an update on how the convention went with the Board of Trustees soon!
- I will be attending the 97th Annual Colorado Municipal League Annual Conference in June with my fellow Board Members. This is always a great conference that provides networking opportunities with other officials, allows us to learn from peers and share ideas, as well as exchange resources. I look forward to sharing with you what we learn.

Thank you for your continued support!

Bobbi Sindelar

Mayor of Firestone
