

Carbon Valley Consumer Reporter: Area Mayors' Report – For Those of Us Who Don't Attend Meetings

It is hard to believe that it is already September! I hope everyone has had a smooth transition into the season and all the families with kids have had a great start to the new school year. We've been busy at Town Hall, and are excited to begin to review the 2020 budget with staff and kick-off work on the Parks, Open Space, and Trails Master Plan.

The new Police Station is so close to being complete! It is anticipated that the Police Department will begin to move into their new facility in September. We will be scheduling a Ribbon Cutting & Grand Opening Ceremony soon, please keep an eye on our website and social media pages for updates. We are excited to share with you the facility that was overwhelmingly supported by the community, and is designed to meet our current and future public safety needs.

SAVE THE DATES! Upcoming Community Events:

- Saturday, October 5th – Firestone Art & Music Show at the Carbon Valley Regional Library from 1-4 p.m. Local artists can still submit pieces of their work to be on display!
