

**Carbon Valley Consumer Reporter: Area Mayors' Report – For Those of Us Who Don't Attend Meetings**

October usually brings us cooler temperatures, leaves changing colors and dare I say it... will we see our first snow? Either way, I hope that everyone enjoys this season here in Firestone. Here are a few updates to share with the community:

- Help us celebrate the 20th annual Halloween Safe Night on Friday, October 25th from 5-8 p.m. at the Firestone Regional Sports Complex. Businesses, non-profits, organizations and community groups are invited to be one of our Trunk-or-Treat Sponsors. This sponsorship asks that you bring \$200 (minimum) worth of candy to be distributed that night and to decorate whatever 'trunk' you will have parked at the event. Please email [events@firestoneco.gov](mailto:events@firestoneco.gov) to sign-up.
- Over the past few weeks, the Firestone Police Department has been notified of vandalism, including graffiti, in Town owned parks and open spaces. The Police Department is committed to keeping the community safe, this includes working with neighbors of these areas to discourage vandalism. The Town of Firestone has recently made many investments and enhancements to our parks, and will continue to do so in the years to come, but we need the communities support to help us maintain them. If you see something suspicious, including vandalism that has occurred, please contact the Firestone Police Department. Don't assume someone else called, if you see something, say something. Contacting the non-emergency dispatch number (720-652-4222) is the best way to report anything suspicious.

Upcoming Community Events:

- Saturday, October 5<sup>th</sup> – Firestone Art & Music Show at the Carbon Valley Regional Library from 1-4 p.m. Join us for the celebration, that includes a community art project, kids crafts, art demos, live music and more!
- Friday, October 25<sup>th</sup> – Halloween Safe Night at the Firestone Regional Sports Complex from 5-8 p.m. This event includes trunk-or-treating, carnival style games, a trackless train for fun rides, inflatables, food truck, safety handouts and a goody bag for attendees.

Stay in the know! I encourage the public to sign-up for notices from the Town of Firestone by visiting [www.firestoneco.gov/notifyme](http://www.firestoneco.gov/notifyme) and following us on our social media channels.

Thank you for your continued support.

Bobbi Sindelar

Mayor of Firestone
