

**Carbon Valley Consumer Reporter: Area Mayors' Report – For Those of Us Who Don't Attend Meetings**

March brings us spring and in true Colorado fashion, usually one more big snow storm! The Board of Trustees and Town Staff have been busy working on many projects including a High-Speed Broadband Initiative; a Parks, Open Space and Trails Master Plan; and discussing updating the Land Development Code. All that will have a positive impact on our community! Here are a few other updates to share with the community:

- The Town of Firestone will conduct its Regular Municipal Election on Tuesday, April 7, 2020. All ballots will be mailed to registered voters. Ballots will be mailed the week of March 16, 2020. During this election, registered voters in Firestone will be electing a Mayor and three (3) Trustees. The Mayor will be elected to serve a two-year term and three Trustees will be elected to serve four-year terms.

Voters will also be asked to vote on Ballot Issue 2A, a ballot question of the Town of Firestone authorizing the use of the 0.6% sales tax approved in 2017 for maintenance and operation of the police and municipal court facility and to construct, maintain, and operate new town facilities without increasing the current total sales and use tax rate of 3.6%

For more information on the election and Ballot Issue 2A, please visit [www.firestoneco.gov/election](http://www.firestoneco.gov/election).

- We hope to see you at the Annual Meet & Greet hosted by the Firestone Police Department on March 20, 2020 at the new Police Department & Municipal Court Facility from 6-8pm. This event allows community members the opportunity to meet their local and county government officials to discuss concerns and issues relevant to the local region.
- The Town of Firestone Board of Trustees is seeking citizens who are interested in volunteering their time in public service to the community by serving on the Planning & Zoning Commission and the Parks & Trails Advisory Board. All Board members must be a resident of the Town of Firestone. For more information and to apply online, please visit [www.firestoneco.gov](http://www.firestoneco.gov).
- With spring just around the corner, we are already planning all of our wonderful special events! If you are interested in sponsoring, having a booth or volunteering at any of these events, I encourage you to visit [www.firestoneco.gov/events](http://www.firestoneco.gov/events) to check out all of the great opportunities to get involved. As always, I hope to see you all at our events throughout the year.

Thank you for your continued support. It is an honor to be your Mayor.

Bobbi Sindelar
