

What a difference a year makes! This time last year, we were kicking off summer with celebrations with our families and friends, wrapping up the school year and thinking about summer vacations. While this June might feel a little different, I do hope that everyone can enjoy this time of year and know that we will get back to “normal” soon!

Congratulations to all of the graduating seniors in our community! I’m so proud of the seniors in my life, my son Dylan and nieces Gillian and Aspen are all graduating. They have big plans to continue their education in the fall and will be doing it from 3 different states. I’m going to miss them! Congratulations to them and all of the graduates this year that have completed this important milestone. The best is yet to come!

Summer events in Firestone will look a little different this year. Food & Flick Fridays will kick-off on Friday, June 12th with Hook on the big screen at the Firestone Sports Complex as a drive-in movie. We are excited to continue to plan our community events, and are making modifications to plans to ensure we are following all safety guidelines. The details for the 4th at Firestone are still being finalized, but don’t worry – we will still have fireworks! For the most up-to-date information on all of our events, please visit www.firestoneco.gov/events.

The Town of Firestone is committed to continuing to support local businesses during this unprecedented time. We know that many businesses were hit hard by mandatory closures and the safety measures that have been put in place. I want to remind the business community, that we have many resources compiled online for you and encourage you to reach-out to our Economic Development staff if you have any questions or need support, please visit www.firestoneco.gov/COVID19_Biz for more information.

I am still taking nominations for the Mayor’s Award, to recognize a group or individual who is going above and beyond and making a positive impact on our citizens during this time. If you would like to nominate anyone for the Mayor’s Award, please email me their names and tell me about the good work they are carrying out.

Thank you for your continued support. It is an honor to be your Mayor.
