

Part of me can't believe that it's November already, and the other part of me is excited for this year to be winding down! As we all prepare for a busy season, below are a few updates I don't want you to miss.

Election – November 3rd

The 2020 Presidential Election will be conducted as a Mail-Ballot Election. Voters may vote in person at one of Weld County's Voter Service and Polling Centers beginning on October 19th. Due to health concerns with COVID-19, please vote your mail ballot and drop it off Drop-Off Locations or place it in the mail by October 26th.

If you miss the mailing deadline, you can still vote through Election Day, November 3rd, by dropping off your completed ballot at one of the following locations:

- Carbon Valley Recreation Center (701 5th Street, Frederick)
- Southwest Weld County Services Complex (4209 Weld CR 24 1/2, Del Camino)

For more information, please contact the Weld County Elections Office at elections@weldgov.com or visit www.weldgov.com.

Santa Cops

The Carbon Valley Santa Cops program is an annual program of the Firestone, Frederick and Dacono Police Departments to provide a gift, warm winter clothing and necessities to children and families in need during the holiday season. Nominations for families are due by Friday, November 20, 2020.

For more information on how to nominate a family or get involved with the program, visit www.firestoneco.gov or contact the Firestone Police Department at 303-833-0811 or email policeclerks@firestoneco.gov.

New Town Hall Project to Begin

In October, the Board of Trustees accept a \$1 million grant from the Department of Local Affairs (DOLA) for the new Town Hall project and also approved an agreement for construction services for that project. The construction project is scheduled to begin immediately and be completed by Fall 2021.

Thank you for your continued support. It is an honor to be your Mayor.
