

This year has been particularly challenging for us all, yet I continue to see so many uplifting and positive things in our community. I recognize that while we may not all agree on everything, the Firestone community has proven to me to support one another. I encourage everyone to continue to be kind and understanding of their neighbors, as we never know what someone else is going through.

I hope that everyone can get into the holiday spirit this year – I love the decorations that are up already! From the Firestone Police Department’s Santa Cops event to the Carbon Valley Holiday Fest – there are so many ways to help get into the holiday spirit, celebrate with your family and give back to the community.

This winter is proving to put even more stress on our local businesses, who have felt the impacts of COVID-19 most of the year. I want to remind everyone to continue to support these businesses by taking advantage of gift card purchases, online ordering, delivery services, drive-thru, curbside pick-ups and carryout options.

I am wishing you all a happy, healthy and successful 2021!

Mayor Bobbi Sindelar
