

- The past year was particularly challenging for us all. I know it can be easy to focus on the bad and all that we couldn't do or that has changed since the pandemic started, but I took some time to reflect on the successes we had in 2020 at the Town of Firestone and shared them in a "Year End Update" that can be found online at www.firestoneco.gov.

- I want to continue to remind everyone to that supporting our local businesses is crucial. This winter is proving to put even more stress on our local businesses, who have been feeling the impacts of COVID-19 for 9+ months. You can show your support of these businesses by taking advantage of gift card purchases, online ordering, delivery services, drive-thru, curbside pick-ups and carryout options.

- The Board of Trustees is hosting four upcoming Virtual Chat with a Trustee events. These events provide a great opportunity to speak with Firestone's elected officials and staff, ask questions and discuss issues or concerns related to the Town of Firestone. For more information, please visit www.firestoneco.gov/chat.

I am wishing you all a happy, healthy and successful 2021!

Mayor Bobbi Sindelar
