

Spring is here, and I'm excited for warmer days and that Colorado sunshine! As the State has loosened restrictions, we are starting to experience some normalcy, and I know I'm looking forward to a fun end of the school year and start to summer! A few upcoming dates to mark on your calendars for May:

- Firestone's summer event calendar has filled up! Starting in May, we have a new event series: BITE CLUB. Join us at Settlers Park on Friday, May 7th, for an evening of food trucks and fun activities. Our Food & Flick series kicks off in May as well. Join us for "Spider-man Into The Spider-verse" at Settlers Park on Friday, May 21st. For more event information, visit www.firestoneco.gov/specialevents.
- The Town of Firestone has contracted with Vector Disease Control International to provide the Town with mosquito management: larval (water treatments), adult mosquito surveillance and trapping, and fogging for the 2021 season. Visit www.firestoneco.gov/MosquitoControl for more information on this program.
- The Board continues to meet about the Central Park Master Plan Project during our Work Sessions, held on the 3rd Wednesday of every month. Join us on May 19th, we want your input and you to be a part of the decision-making process. Visit www.firestoneco.gov/CentralPark for more information.

Thank you for your support. It is an honor to be your Mayor.

Mayor Bobbi Sindelar
