Hello,

We are writing to inform you that development plans for the Reese 22-21HZ and Ruca 1-20HZ well pads have been delayed since our previous communication. Please see the map on the reverse side of this postcard for the locations of the well pads and the updated timing for hydraulic fracturing.

If at any time you would like more information or wish to report an issue related to our operations, you may reach us through the Anadarko Colorado Response Line (1-866-248-9577 or AnadarkoColorado@Anadarko.com). We welcome your feedback at any time as we perform work near your community.

Sincerely,
Stakeholder Relations Team
