

When shopping for goods and services, please consider Firestone businesses first!

Businesses in the Town of Firestone offer a wide variety of goods, services, and dining options. Whether you need pet or aquarium supplies, a cake or dessert for that special occasion, supplies for your yard or home DIY or repair project, or services – personal, professional, medical, dental, or other self-care – you will likely find it in Firestone. And when you buy in Firestone, the sales tax you pay goes right back into your community parks, streets, police, and other Town services.

New shoes, electronics, clothing ... can't find it in town? Buy it online and have it shipped to your

Firestone address! Just like when you shop in Firestone, sales tax paid for online orders shipped to your Firestone address comes back to your community.

Whether shopping or shipping, support local businesses, support the Firestone community!

Contact [Paula Mehle](#) to learn more about Firestone businesses and how the sales tax you pay supports the community.
