CARBON VALLEY SANTA COPS

Gift Shopping: December TBD Wrapping: December TBD

Firestone Police Station, 2 Park Avenue

CARBON VALLEY

The Carbon Valley Santa Cops program is an annual event in which the Firestone, Frederick and Dacono police departments provide a gift, warm winter clothing and necessities to underrepresented children in the Carbon Valley area during the holiday season. Starting each fall, this nonprofit program is made possible because of generous businesses and individuals who donate gifts and money to benefit children and families. By early December with all the shopping complete, volunteers and local officers come together for a day of wrapping before the gifts are presented by Santa.

The safety of our community is of utmost importance. Our goal is to host all of our 2020 events, as we know they are a staple to the community. But, we will continue to monitor all recommendations and updates from government officials surrounding COVID-19 and will announce any additional cancellations, postponements or changes on our website at www.firestoneco.gov/events.
