ABOUT DOTTIE:

"My preferred medium is oil as I love the flow and texture. My love of animals keeps me inspired; but recently I started painting portraits of my great grandchildren as babies three – six months old. There is joy in seeing animals and people come alive at the tip of my brush; back to my childhood where it all started."

Dottie's oil paintings are featured at the Bella Rosa Golf Course (Frederick), The Armory, Eye4Art (Brighton City Hall), Carbon Valley Library (Firestone), and the Riverside Library (Evans).
