Dear Parents/Guardians:

October 1, 2025

Santa Cops Program is an ongoing effort to provide gifts and necessities to *underprivileged children* in the Carbon Valley region during the holiday season. At this time, we would like to take this opportunity to remind interested residents that this program is non-profit and sponsored by generous businesses and residents from around the region. Keeping this in mind, the funding for this program is **limited and intended only for those that are truly in need**. Please take this time to consider the children "Santa Cops" serves as they do not benefit if this program is misused. All referrals will be reviewed and undergo an approval process; not all applicants will qualify. Once referrals are processed and approved, the different police agencies will distribute gifts to children in Mid-December 2025.

If you feel that your family fits the above description and would like to participate, please provide a photo ID, proof of residence, birth certificates for children and/or student report card or student ID, and proof of income which includes your tax form from 2024. Referral sheets can be dropped off at local police departments address listed above. You may also give the referral sheet, all items list above to your child's classroom teacher, the school counselor, or your local police department no later than **Friday, November 21, 2025. Late and incomplete referrals will not be approved.**

Children who qualify for this program must live in your household 12 months out of the year and be 16 years of age or younger. In terms of the referral sheet, please list all of the children in your household, their age, and sex whether or not they attend our schools—we do not want to leave anyone out!

If you would like to refer a family that you feel would benefit from the Santa Cops program, please contact the Police Department that the family resides. We will provide you with a referral form.
