## ADOPT -A- PLACE

Started in 2005, the Adopt-A-Place Program began when the Town of Firestone and its residents recognized the need to combat litter problems in the community. Throughout the years many local organizations, businesses and individuals have come together to help keep Firestone a beautiful community to live, work and enjoy.

By participating in the Adopt-A-Place program, community groups, businesses and individuals help the Town of Firestone reallocate funds, time and manpower to other much-needed programs and projects, including park construction, upgrading and maintenance, trail improvement projects and more.

### HOW THE PROGRAM WORKS

Individuals, families, clubs, businesses, churches, schools, neighborhood associations and organizations can volunteer to adopt 1 mile or more of Town streets, 1 mile or more of trail or a community park. Volunteers will pledge to do four clean-ups a year.

### AS A VOLUNTEER, YOU WILL RECEIVE:

- ✓ Clean up supplies, including trash bags, gloves and safety vests
- ✓ Free hauling and disposal of garbage
- ✓ Signage at your adopted location showing your commitment

### HOW DO YOU FIND A STREET OR PARK?

Visit the interactive map online at [www.firestoneco.gov/adoptaplace](http://www.firestoneco.gov/adoptaplace) to view the locations that are available to be adopted. If you know of a street, park or trail near your home or business that is in need of attention, contact the Town and we can confirm it's availability. Groups who do not wish to be recognized may remain anonymous.

### BENEFITS OF THE ADOPT-A-PLACE PROGRAM:

- ✓ Improve the attractiveness of the Town
- ✓ Reduce roadway, park and trail pollution
- ✓ Reduce water pollution
- ✓ Increase public awareness of environmental issues
- ✓ Reduce the cost of litter removal
