**Subject:** Notice of Plug & Abandon Operation per COGCC Rule 903.a.(1)- Newby State 26N-33HZ

This is to notify you that Kerr McGee Oil & Gas Onshore, LP will be performing a Plug & Abandon operation that will be occurring within Weld County limits pertaining to the wells listed below that include a map, their location and identify which fire district the wells are located in.

The work is scheduled to begin on 6/4/2021 and will take approximately 1-2 weeks to complete. In an effort to reduce the inconvenience to the surrounding residents, crews will be working on-site during daylight hours only.

In accordance with COGCC Rule 903.a.(1) the relevant and proximate local government, and the local emergency response authorities have been included on this notice. For safety purposes, a temporary enclosed emissions control device (ECD) may be present on-site. In the event this equipment is needed, the emissions control device reduces emissions in a safe and controlled manner. Utilization of the device is typically short in duration and may occur at the beginning of the operation used intermittently during other phases of the operation.

If there are any stakeholder inquiries related to this activity, please direct them to our Colorado Response line at 1-866-248-9577.

Here is a map showing the well location:
