THANK YOU, FIRESTONE!

A letter from Mayor Sindelar

In 2004 I began my service to the Town of Firestone, serving as a Planning and Zoning Commissioner, and this month, I will end my service as your Mayor. Thank you, Firestone, for being such a wonderful place to call home, raise my family in, work in, shop in, and serve for the past 18 years!

We have faced challenges and have weathered many storms, figuratively and quite literally. Yet, I believe we are a stronger and more resilient community because of everything we have been through together.

I have watched before my eyes this community grow and flourish. We were a population of 6,400 when I started, and this year we expect to see 18,500 residents.

We have expanded our shopping areas and continue to add quality retail development that this community desires. We have invested in our Town facilities to be able to serve this community for generations to come. We have adopted a water plan that sets us apart from any other community in the Front Range. We have added recreation amenities, like parks and trails to every neighborhood. We are strategically planning for additional developments.

This is all an incredible list of accomplishments, but it wouldn't mean anything without the people behind it. My fellow Board members, past and present, and the amazing Town staff. Thank you to everyone

who shows up every day to serve this community – Public Works, Planning and Development, Engineering, Special Events, Human Resources, Finance, and the brave men and women in blue at the Firestone Police Department. **Thank you.**

In addition, I would be remiss if I did not mention that I have been amazed at the progress we have made on so many projects and initiatives over the past four years, largely due to the leadership and efforts of Town Manager A.J. Krieger. **Thank you.**

To those on the Board today – Frank Jimenez, Don Conyac, Samantha Meiring, Doug Sharp, David Whelan, and Sean Doherty. It has been an honor to serve with you. **Thank you** for all you do to make our Town better and stronger.

I want to encourage everyone in the community to join us at meetings and stay connected. The Town’s website is full of resources; get your information directly from the source. And if you ever have questions, ask! Town Staff and the Board of Trustees want to hear from you.

It has been an honor to serve as your Mayor. I am so proud of all the Town’s accomplishments and I am so excited about Firestone’s bright future.

Thank you,
Mayor Bobbi Sindelar
